

DigestiveEnzymes™

WHAT IS IT?

- Dietary support formula containing natural compounds shown to help breakdown and extract nutrients from food

WHO IS IT FOR?

- Adults seeking support for healthy digestion which is often compromised by western lifestyles including poor diet, stress, environmental chemicals, and aging

WHAT ARE THE BENEFITS?

- Optimizes nutrient availability
- Helps breakdown lactose in dairy products
- Provides support against digestive upset

WHAT MAKES THIS PRODUCT UNIQUE?

- Contains five forms of naturally occurring digestive enzymes: alpha amylase, lactase, lipase, cellulase and a neutral protease to add to the body's natural production
- Microbe-derived enzymes which survive the pH of the stomach
- Heat stable
- Vegan friendly
- Gluten free
